

These photos reflect the enthusiasm and enjoyment experienced by those who attended and/or participated in the Firefighter Appreciation Weekend at the USS Intrepid Sea/Air/Space Museum on July 21 and 22, 2001. Above, left, FF

Jeffrey Mark, E-40, teaches a future proby how to handle a hose-line. Above, right, Intrepid President and CEO, Lieutenant General Martin Steele, retired, USMC, and Commissioner Thomas Von Essen at the special display to honor FFs John Downing, L-163, Brian Fahey, R-4, and Harry Ford, R-4, who were killed in the Astoria hardware store explosion on Father's Day, June 17, 2001. Right, Haz-Mat 1 member, outfitted in his silver TyChem 10,000 Level A entry suit, demonstrates a chemical spill response.
