

# WNYF Backstep

(Group of four photos above) FDNY has stepped up its anti-terrorism preparedness with numerous drills throughout the City's boroughs. Some of the most recent include, clockwise from top left, a hazardous materials subway drill on Wall Street in Manhattan on October 6, 2002 *photo by FF Ben Cotten*; a chemical drill at Fort Hamilton, Brooklyn, on October 17, 2002 *photo by FF Ben Cotten*; a hazardous materials drill at Yankee Stadium in the Bronx on September 29, 2002 *photo by Lieutenant John Leavy*; and a drill with Con Edison at their facility in Queens on November 2, 2002 *photo by Kimberlee Hewitt*.
