Retired Members' Corner by Frank Cull

Jim Boyle (retired, E.217) made history recently when he was elected president of the Uniformed Firefighters Association. Boyle is the first retiree in the country to head a major police or fire union . . . The Grand Council of FDNY Retiree Associations also came up with a few new faces. **Jerry Ryan**, the former UFA union chief, is the new president of the Grand Council. **Jim King** (former UFA veep) is the vice president of the council, and **John Cunningham** is the secretary-treasurer . . . You know it's going to be a bad day when you see a "60 Minutes" news team waiting in your office . . . Two new retiree groups have tapped into service. The Peconic Division takes in the Eastern end of Long Island with the townships of Riverhead, Southold, Southampton, Shelter Island, and East Hampton. For information, contact **John Cunningham** at 516-728-8278. Down Jersey way, **Tony Martucci** is organizing a South Jersey division, which will include Ocean and Monmouth counties . . . A new committee in New York State has been formed: the Police-Fire Pension Task Force. It is chaired by **Yim McGowan**, retired FDNY, who is the president of the New York State Association of Professional Firefighters . . . **Frank O'Connor** (E.47) is recruiting members for his chapter of Barber Shop Quartets. Those interested may contact O'Connor at 516-868-7328 . . . The Bensonhurst murder trial in Brooklyn has an FDNY twist. The Kings County district attorney is **Charles "Joe" Hynes**, the former Fire Commissioner. The chief prosecutor in the Bensonhurst trial is **James Kohler**, a former deputy fire commis-

32 YEARS IN
ONE OF THE FDNY'S BUSIEST COMPANIES
Stuart Bliss, E.283

A memory on film is this photo of Engine 274's original quarters in Flushing (formerly Murray Hill), Queens. A reader sent the photo in after seeing Allan Lawrence's article "I Remember: Childhood Memories of Horse and Apparatus, Murray Hill, Queens" in the 4th Issue of 1989. Barely visible inside the screen door are the headlights of a motorized apparatus—possibly the company's first, circa 1924.

sioner. The defense attorney for defendant Keith Mondello is **Stephen Murphy**. He's the son of former First Deputy Fire Commissioner Steve Murphy . . . Congratulations to **Nick Mancuso**, former UFA top gun, who will serve as chief negotiator for the International Brotherhood of Teamsters, Local 237 . . . Don't watch the clock. Do what it does. Keep going . . . **Dick Nagle** (Fire Academy and E.26 fame) is now the chief of department for the Town of Ridgefield (Connecticut) Fire Department . . . **Helen Kelly** (Commissioner's Office) and **Mary Mulholland** (Shops) have welcomed **Mary Tuohy** (Commissioner's Office) to the ranks of the retired . . . Former Deputy Commissioner **Ray Nolan** is up and around after a very serious bout with the doctor. Nolan credits Lt. **Jerry O'Donnell** and the troops from L.147 with saving his life . . . Fire Commissioner **Carlos Rivera** has agreed to allow distribution of membership information about our retiree groups to FDNY members who are attending retirement seminars. This will be a big help in recruitment drives for membership in our retiree divisions . . . 'Til next time, remember: We must always have old memories and young hopes.
