

Members (author at right, back row) of 1st Battalion 25th Marines in Fallujah, Iraq.

aware of the problem, how to identify it and, most importantly, to know that help is available.

About the Author...

Firefighter Recordo Demetrius is a six-year veteran of the FDNY. He is assigned to Engine 304, but currently is working with the training and development of the new Probie class at the Fire Academy. Holds a Bachelor's degree in Fire and Emergency Services from John Jay College and is enrolled in a graduate program for Protection

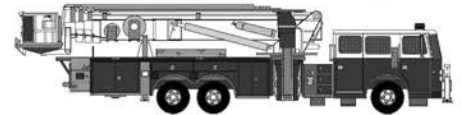

The author, FF Recordo Demetrius, FF Jason Brezler, Squad 252, and FF Brian Ferrera, Ladder 58, have all seen combat. All three members currently drill with 2nd Battalion 25th Marines.

Management at John Jay College. Pertinent to this particular article, he is the Company Gunnery Sergeant for 2nd Battalion 25th Marines H&S Company. His 13 years of experience with the Marine Corps includes two combat tours in Iraq and a stabilization and humanitarian mission in Kosovo with NATO forces. He spent two years with Wounded Warrior Battalion East, coordinating the return of wounded Marines and sailors from Iraq and Afghanistan. This is his first article for WNYF.
